“Wonderful experience. I appreciate that Diana and Mark shared their insight, process, and thought about their work.”

“As a non-artist, I appreciate gaining an insight into both the technical aspects of art creation as well as insight into the creative process and the artist’s perception.”

“It was interesting to see Diana’s process and how she creates her work. I especially loved her view about color and how it is affected by light.”

“Wonderful to hear the story behind Mark’s art. Loved to hear about his creative process - especially heading off into the unknown.”

“The spirit, passion, and skill of both of these artists !!”

“I love this natural creativity and spontaneity! It is so refreshing.”

“This is a beautiful space that inspires two talented artists to come up with works that take us in a different dimension.”

“So much heart and mind in these works - not only informational - also inspirational. So appreciated! Thank you.”

“Diana’s presentation was so interesting and well done. She made this art form that felt so mysterious and impossible become concrete, clear, and easy to understand.”

“Mark is amazing for all the thought he puts into a piece and the variety of media he plays with.”
